A NATIONWIDE DEAL
gets you what you want most by
compromising on issues you care less about.

Lets Americans
COMBINE POWER
to fulfill all our missions together.

ADDS MODERN SOLUTIONS
our current Constitution lacks.
Keeps 90%, foundations and rights intact.

ALL ELSE has FAILED
If candidates, nonprofits, and marches could
solve our problems, they would have by now.

If nonprofits, celebrities and voters SHARE,
POLLING will push politicians to ratify it.

INCLUDES LEFT and RIGHT
in one piece of national legislation.

Focuses voter power on
A SINGLE COMMON GOAL,
RATIFICATION.

Uses the amendments clause to let
CITIZENS DICTATE SOLUTIONS
to middlemen and politicians.

Our slow politicians are too corrupt
to pass all the legislation we need.

Valentine

VALENTINE was raised on a Virginia farm near the Shenandoah River and the Blue Ridge Mountains in a county adjacent to where Jefferson, Madison and Mason grew up on farms. After skipping 11th grade, he graduated from high school with a 4.0 GPA, then attended The University of Virginia where he began work recodifying the laws of the United States. After graduating in 3 years, he simultaneously ran precinct operations for both the John Warner for US Senate and the Frank Wolf for US Congress campaigns.

In the early 1980s he traveled the world researching governments using his NY Elite modeling credentials to pay for the trip. He furthered his graduate studies at UCLA, UNLV and UM. Valentine has devoted most of his tireless life to finding effective solutions to America's social, political and governmental problems, culminating in The Valentine Constitution. He is the author of the [The Valentine Constitution](#) book, an exposition of his constitution and vision for America. Valentine is an American philanthropist, philosopher, poet, author, lyricist, singer, songwriter, music producer, actor, screenwriter, movie producer and director.

VALENTINE wrote and recorded a 50 song Showtunes library in Las Vegas along with two musical screenplays that include the songs. He also created three [SongBooks](#), narrations of the synopses interspersed with recorded samples of the songs. He wrote, produced and recorded a 50 song [Country Pop](#) library on Music Row in Nashville. A dozen of the songs are political with punchy political music videos to elucidate his points. He authored the books [Lyrics by Valentine](#) and [Poems by Valentine](#), and has written over 30 screenplays, some of which he's adapted as ScreenBooks for casual reading: [Collapse](#), [Angel's Playground](#), [Played](#).

VALENTINE wrote, produced, directed and stars in the feature length motion pictures "[Romantic Schemer](#)" and "[4/11](#)" both shot on film in Miami.
