A NATIONWIDE DEAL
that gives voters what each wants most by
compromising on issues they care less about.

Allows left and right voters and nonprofits
to **COMBINE** their **POWER**
to get what they can't get alone.

ADDS MODERN SOLUTIONS
that our current Constitution lacks.
Keeps 90%, foundations and rights intact.

ALL ELSE has **FAILED**
If candidates, nonprofits, and marches could
solve our problems, they would have by now.

POLLING will push politicians to ratify it
or face defeat at the polls.

INCLUDES both **LEFT** and **RIGHT**
in one piece of national legislation.

Focuses combined power on
A SINGLE COMMON GOAL,
RATIFICATION.

Uses our amendments clause to let
VOTERS DICTATE SOLUTIONS
to politicians and big business.

Removes big money's influence.
Streamlines, modernizes government.
Helps citizens comply and improve.

Valentine

VALENTINE was raised near the Shenandoah River and the Blue Ridge Mountains on a northern Virginia farm like Jefferson, Madison and Mason. An A-student, he skipped 10th grade then attended The University of Virginia where he began research to recodify the laws of the United States. After graduating in 3 years, he simultaneously ran precinct operations for both the John Warner for US Senate and the Frank Wolf for US Congress campaigns. He is a nonpartisan candidate for President in 2024.

In the early 1980s he used his NY Elite modeling credentials to pay for a trip around the world researching governments. He furthered his graduate studies at UCLA, UNLV and UM. In all Valentine spent 50,000 hours over 50 years finding effective solutions to America's social, political and governmental problems, culminating in The Valentine Constitution. He is the author of the [The Valentine Constitution](#) book, an exposition of his constitution and vision for America. Valentine is an American philanthropist, philosopher, poet, author, lyricist, singer, songwriter, music producer, actor, screenwriter, movie producer and director.

VALENTINE wrote and recorded a 50 song Showtunes library in Las Vegas along with two musical screenplays that include the songs. He also created three [SongBooks](#), narrations of the synopses interspersed with recorded samples of the songs. He wrote, produced and recorded a 50 song [Country Pop](#) library on Music Row in Nashville. A dozen of the songs are political with punchy political music videos to elucidate his points. He authored the books [Lyrics by Valentine](#) and [Poems by Valentine](#), and has written over 30 screenplays, some of which he's adapted as ScreenBooks for casual reading: [Collapse](#), [Angel's Playground](#), [Played](#).

VALENTINE wrote, produced, directed and stars in the feature length motion pictures "[Romantic Schemer](#)" and "[All's Not Fair in Love and War](#)" both shot on film in Miami.
